

## **SELICK'S HILL QUARRY**

### **COMMUNITY CONSULTATION GROUP**

December 11, 2024 at 6.00pm – 8.00 pm  
Sellick's Beach Community Centre  
William Eatts Reserve, Riveria Road Sellick's Beach

#### **Welcome and overview**

Brenton Chappell Independent Facilitator from Simply Speaking

Meeting commenced on time at 6pm.

Acknowledgement of Country given by the Facilitator.

#### **In attendance**

- Paul Yeomans
- Kirsty Shearer
- Karyn Jowett
- Gary Aird
- Giovanni Zinghini (arrived at 6.30pm)
- Michael von Berg (arrived at 6.30pm)
- Ethan Pettiford
- Adam Schutz
- Brenton Chappell

#### **Guests in attendance**

##### **EPA**

- David Vaughn
- Justin Richardson
- Isaac Glonek

##### **DEM**

- Laura Butler
- Robbie Jones

#### **Apologies**

- Doug Govan

#### **Minutes of previous meeting**

Minutes of previous meeting were received

## **Actions arising from minutes**

Nil

## **Correspondence In**

- Razia Zariff SA Health
- Tom Gaskell Office of the Member for Mayo

## **Correspondence Out**

- Tom Gaskell Office of the Member for Mayo
- Ethan Pettiford to Member for Mayo

## **EPA – David Vaughn**

### **Key Points**

David Vaughn provided an overview of activities undertaken by the EPA over recent months.

- EPA went to the Sellick's Quarry site as an announced inspection.
- The EPA licence for the Sellick's Quarry has been renewed for 12 months (from Dec 1<sup>st</sup> 2024)
- There are revised requirements for licencing and monitoring in the new licence.
- There have been significant changes in the last 20 years of the quarry's operation.
- David confirmed that the EPA was guided by science in relation to dust content.

### **Site Monitoring**

A lengthy internal discussion was undertaken around the prospect of a proposal for community monitoring. Internal approval for community monitoring would have to be sought for this to occur. David Vaughn advised that the community monitor needs to meet Australian standard and would probably be at one location. Approval for such a project may occur in the first quarter of 2025.

Two new conditions to the licence have been added. The Dust Management Plan (DMP) and dust monitoring changes are to be made.

### **New Housing Subdivision and Implications.**

It was noted at the meeting that the research that was being undertaken into the new housing subdivision was a different department of government. Consultation with residents on this research was suggested by Giovanni Zinghini.

### **DEM (at the start of the meeting)**

Laura from DEM provided an overview of activities undertaken by them at the Sellick's Quarry since the last meeting.

These included;

- Announced and unannounced visits to the site and that
- Drone surveys had been undertaken.

The overall co-agency arrangement (DEM/EPA) was clarified for the meeting,

### **Communication Plan**

Discussion Paper

A draft discussion plan was reviewed and a suggested template tabled for discussion.

Draft plan to be tabled at next meeting.

### **Other business**

As time had expired no further business was raised.

### **Agenda Items for Next Meeting**

Communication Plan for adoption

8.00pm Meeting Dates  
Next Meeting April 2<sup>nd</sup> (amended)  
Final date for 2024-25 June 4<sup>th</sup> 2025

Meeting closed 8.00pm
